706. Return. 731. Bingara

11/7. 1779. Bundarra. 786. *Melliodora*.

*Keyacris* sp.

bla *Keliji*, much thinned, with very dry

& mostly short *Bothriochloa*. *Helichrysum*

present here & there, but sparse & close-

cropped. 791. Abington. 792. Siderayton,

*Moraba callintha*, *Keyacris* sp.

albus, & bla *Keliji* on a rise, with *Acacia*

sp. to 3 ft., patches of *Bursaria*, scattered

healthy shrubs to 18 in. & thin *Helichrysum*.  
Sparse grass - mainly *Koeleria*, some  
*Themeda*. 1825. Urala.

12/7. 1853. Urala. 1887. Yarrowitch. 1937.  
Ellenborough.

N.B. On this trip numerous stops were  
made between 1792 and Port Macquarie.  
Nothing was found, but the weather  
was cold, windy, and mostly  
drizzling.
